

## PRINCE2® Foundation 6th Edition

### Přehled

Whether you are a seasoned Project Manager, have only a few years of project management experience, or are just beginning your career, this course can be a great help for you. Demonstrating best practices in project management—both on the job and through professional certification—is crucial for competing in today's fast-paced and highly technical workplace. In this course, you will apply the generally recognized practices of project management acknowledged by PRINCE2®. This course will also serve to prepare you for the PRINCE2® Foundation examination. The associated certification exam voucher is included with this course.

### Vzdělávací cíle

To help you understand PRINCE2® in respect of its:

- Principles, processes, themes, techniques, and roles for successful project management.

- Management products that are input and output of the processes.

So that you may:

- Attempt the PRINCE2® Foundation exam with confidence.

- Begin to apply the method, tailoring it to your project's needs.
